Dear Jeff,

How are you today? Ready for frights and bites and things that go bump in the night? Halloween is right around the corner. Make sure to send us pictures of your Costumes! We'd love to see them.

We've got some great news to report: Ciralight Global was approved for Public Trading last week and we couldn't be more excited. The news is sure to benefit all involved in the Ciralight community. Find more information below.

Also, what do you think of our recently announced Sales Contests? Excited!? Inspired!? Determined!? We're ready to award our first winner at the end of this month: Could it be you? There's still time to put yourself in the running. Best of luck to everyone. If you missed the announcement last week, all the prizes and rules can be found further down this newsletter.

Lastly, make sure to share the Ciralight News with with the world by 1) clicking the Share button(s) at the top of the email or 2) by joining our Social Media movements and spreading the word of our Suntracker Active-Daylighting system.

And now, without further adieu, the Ciralight News...

Release: Ciralight Global Goes Public

A New Day Rising Before Ciralight Suntracker

It's official: Ciralight Global is now trading Publicly. It's been a long and intensive process but has finally passed through as Ciralight is now

These sites are great resources for everything Ciralight-related. Your online interactions with us are greatly appreciated. Many people are using Social Media as a standard for learning and research and the more action we have on our sites, the better.

November's just around the corner. Keep up all the great work everyone! It's not too late to win our first Monthly and Quarterly sales contests! Have a wonderful Halloween with friends and family if I don't speak to you before then.

Talk to you all soon.
